CS 673 Project Status Report

Team Name: Bug Busters   Date: 02/18/2025
Team Members: Lei Zhu, Boyuan Ge, Yuheng Xia
Prepared By: Lei Zhu

Status Summary:
Our team has completed the initial build of the project and has made changes to the choice of technology stack after researching several projects with similar architectures. After this period of communication, we also have a clearer plan for the subsequent development of the project.

Project Overview:

Task	Owner	%Done	Due Date	Notes
